

danlamp®

Sculptural light with character

The light bulb is shown in full size

The Standard de Luxe is designed for decorative purposes, for example, in shops, showrooms and restaurants. The bulb can be used as an elegant decoration that stands alone or with multiple bulbs. The beautifully twisted filament forms effective patterns of light and the decorative bulb is suitable for pendant lamps and lamps without shades.

The bulb's special effect can be emphasized by using a dimmer and the bulb can be used with all types of dimmers
